VICTORIAN
ARC CENTRES & HUBS
STAFF WORKSHOP
THU 14 DEC 2017

Proudly co-hosted by
ARC Centre of Excellence for Mathematical and Statistical Frontiers (ACEMS)
ARC Centre of Excellence in Future Low-Energy Electronics Technologies (FLEET)

Bringing together business teams from Victorian ARC Centres and Hubs to network, learn best practices and create greater efficiencies.

We welcome professional staff from Centres of Excellence, Industrial Transformation Research Hubs and Training Centres including chief operating officers, centre managers, business managers and staff in finance, communications, outreach, mentoring, stakeholder engagement, education & training and node administration.

8:30AM - 6:00PM
